FOCUS ON...

The role of risingSUD! In 2022, our agency conducted nearly 270 prospecting meetings and took part in 12 international trade fairs in nine countries around the world to help regional companies export and to convince international companies to set up in the region.

They've chosen the South of France!

These French and international companies
have chosen the South of France to
accelerate their development.

International

SPACEPHARMA
simply microgravity

The Swiss-Israeli deeptech company **SpacePharma** has set up its R&D center in **Sophia Antipolis**, where it plans to invest €1 million and create around 20 jobs over five years. It has already forged partnerships with the local ecosystem, notably with Cutiss and Enova Aerospace.

French

Lyon-based **Carbon** has chosen **Fos-sur-Mer** to build an Industry 4.0 factory dedicated to the production of photovoltaic solutions. The investment is estimated at €1.5 billion and will create 3500 jobs.

The Paris-based animation studio **Circus** has set up in the **Vaucluse** department within the **SudAnim** cluster and are planning to create numerous jobs.

FRENCH AND INTERNATIONAL COMPANIES

MONEXT[®] BANK & FINTECH

1. The fintech **Monext** has acquired 6000m² of land in **Aix-en-Provence** for €20 million. The company plans to set up a campus there in 2024 for the 400 employees currently working for the company. Monext plans to double its workforce and expand rapidly in Europe, citing Germany and Portugal as new markets.

GravitHy

2. **GravitHy** has found a plot of land at the **Port of Marseille-Fos** for its 70-hectare low-carbon iron production plant. The €2.2 billion project promises to create 3000 direct and indirect jobs. The Grenoble-based company is preparing a second round of financing in June 2023 to raise another €70 million.

LKQ **vanheck** **interpièces**

3. Belgium's **LKQ-Van Heck Interpièces**, which supplies parts to the automotive industry, has chosen **Marignane** as the site for its new 3500m² logistics facility.

kotao PRODUCTION

4. The Paris-based production company **Kotao** has just opened a branch in **Toulon** with the ambition of developing filming in the Var and expanding its customer portfolio. Recruitment is planned to fill several local jobs.

FOODLES

5. After opening an office in Marseille, the Paris-based start-up **Foodles** has opened a logistics center in **Fréjus** to support its expansion in the South of France. The specialist in connected canteens intends to double its number of regional customers by the end of the year.

These **8** announcements of new French and international investments in Provence-Alpes-Côte d'Azur confirm the economic attractiveness of the South of France.

RISING STONE By PROMO 6

8. The future **Auron** site for luxury real estate developer **Rising Stone** will involve an investment of €50 million. Work on the 2000m² initiative will start in 2024, followed by two projects in the next 24 months on the Côte d'Azur coast.

7. Canada's **BRP** has inaugurated its 700m² design and innovation studio in **Sophia Antipolis**. This is its first European development location. A team of 12 designers will work on prototypes for motorsports vehicles.

Wallester

6. The Estonian financial services provider **Wallester** has chosen **Sophia Antipolis** for its first international location. It is moving into a 300m² space in the Centrium building, and aims to employ around 20 people by the end of the year.
